THIS WEEK WITH MRS. KELLY

This was a busy week in SEL with songs, chimes & leaves! K Prep started a new unit on feelings. Students in grades K – 3 practiced how to focus attention to enhance learning, tune out distractions and interact positively with classmates. Students in grades 4 & 5 are refining their goal setting skills and practicing how to work on both individual and group goals. Grade 6 learned about peer pressure and leadership qualities. A few classrooms did an exercise with leaves this week, and it reminded me of the wonder just one leaf can bring! Spending time in nature and slowing down to take in the sights, smells, sounds and textures of fall can be refreshing for the mind and body.

"St. Edith Catholic School "teaches as Jesus did" with love, care, and discipline, centering on the Eucharist, and focusing on students: our gifts and our future."

St. Edith Student Council Food Drive

During the week of October 21st, there will be a Michigan vs. Michigan State canned food drive, sponsored by Student Council.

Drop your non-perishables and canned goods on the table of your team. All will benefit St. Christine's soup kitchen. Please make sure that cans and items are no larger than 20 ounces.

The table with the most canned goods on Friday morning gets to fly the flag outside of school for a week and Mrs. Scaramucci will play your fight song on announcements as well. Win or lose on Saturday, you get the bragging rights for the week!

Friday will also be a Michigan/Michigan State dress down. You must wear either a Michigan or Michigan State shirt or colored shirt. (No Notre Dame or Ohio State...looking at you, Mrs. Yessler, lol.)
