This Week with Mrs. Kelly

Winter gave us another short week in SEL! In K Prep we read, "Clark the Shark Dares to Share" and learned a lot about how to be a good friend. In Kindergarten we practiced how to calm down strong feelings. The Kinders are pros at belly breathing! 3rd grade also practiced belly breathing while learning how to handle accusations. 4th grade dove into a new unit on empathy and kindness and kicked it off by working on how to understand others' points of view. 6th grade had a very successful visit to Villa Marie last week. They planned 4 stations of activities – cards, games, crafts and listening/prayer – which were well-received by the Seniors. It was fun to watch the smiles and laughter from both groups. We hope to do more activities in the future with our new friends!
