

The 8th Grade Can and Bottle Drive is underway!

This is an ongoing drive, so please feel free to donate your bags of cans or bottles in our 8th grade bottle drive bin located outside the school front doors. Your donation of cans and bottles will help our 8th Grade class as they continue their fundraising efforts for their Washington D.C. trip.

Please place your tied garbage bag of cans or bottles in the labeled bin outside of the school.

The bin will be emptied daily.

We appreciate your ongoing support!
